Any other information we should know?

We regret we are unable to care for sick leaders or leaders with a contagious illness. If your child should become ill while in our care, we will notify parents/guardians and seek medical assistance if appropriate. you will be required to collect your child as soon as you are advised. Should the occasion arise that neither the parents nor emergency contact can be contacted and child needs medical attention, permission is given to take him/her to the local medical centre or transported by ambulance to hospital. We will be taking photographs and they may be used for Holiday Programme and Church publications and advertising.
